## CAMPS

### WINTER ACTIVITIES, ENGLISH, AND FUN IN VANCOUVER, CANADA

#### Tamwood Winter Teen Camp

Tamwood Winter Teen Camp is a program specially designed for young students who are interested in learning English and enjoying excursions, winter sports, and fun activities during the beautiful Canadian winter.

The camp offers the same high quality instruction and organization that has made Tamwood famous around the world. Our English instructors are university trained teachers who have extensive experience working with young people and all activities are led by qualified and caring staff.

Students have English lessons in the mornings and take part in different sport, social, and sightseeing activities in the afternoon and evenings. Students can live with a Canadian family or in a self-arranged accommodation with their parents, relatives, or friends.

In 2017, Tamwood Winter Teen Camp includes in its price a spectacular trip to Grouse Mountain. Grouse Mountain is one of Vancouver's most visited attraction and includes a Skyride Gondola which is North America's largest aerial tram system. This and many more amazing activities will make this program an unforgettable experience for all its participants.

#### Vancouver

Surrounded by water on three sides and nestled alongside the Coast Mountain Range, Vancouver is home to spectacular natural scenery, a bustling metropolitan core and mild temperatures during winter. While the weather in Vancouver is comfortable, the many ski resorts around the city offer the best conditions to practice all kinds of winter sports, making Vancouver and its vicinity a real winter wonderland.

Many people agree to consider Vancouver one of the most beautiful places in the world and our citizens take great pride in our welcoming, clean, green, safe and cosmopolitan city that consistently ranks as the best place to live in the world.
